The application must be given to the municipality even though the area applied for is in open country outside the town and settlement zone. If the area applied for is outside the jurisdiction of the municipalities, the application must be sent to the Greenland Home Rule. Page 1 must always be completed with information about the entire area. If applicable, specification of establishment conditions should be filled in under section 5 on page 2.

Section 6, page 2 for application for changes in area allotment
Section 7, page 2 for application for take over of area allotment
Section 8, page 2 for application for discontinuation of area allotment

Section 2: under "Employment of the area" a short description of the employment of the whole area must be given, and the employment must likewise be categorized as belonging to one of the following main purposes:

Building activity area for one or more buildings with attached facilities
Traffic area for road, track, public parking area, path, pedestrian bridge or steps
Cable, pipeline etc area for supply line for electricity, heating, sewerage or telephones
Agriculture area for agriculture including buildings, fields and grazing areas
Other area for other use without attached building, for example independently situated contractor's and storage site, dog keeping area, shipyard, hut without B-number etc.

Section 3: The application must contain one or more enclosures:

Enclosure 1 must always be enclosed
Enclosure 2 + 3 must be enclosed when subsequent building permission is required
Enclosure 4 must be enclosed when whole or partial transfer of an area is being applied for
Enclosure 5 may be enclosed as required, f. x. when area allotment with special conditions is being applied for

Section 4: The applicant can be one or several persons, companies, associates etc. For each applicant there must be one and only one registration number. Social security number need not be entered if there is a company number.

Section 5: In specification of establishment conditions, the following will be treated separately:

Buildings facilities receiving B-number, e.g. accommodation, offices, store rooms, electricity plants etc
Attached facilities facilities immediately attached to a building e.g. outbuildings, patios, fenced areas, parking, supply lines.
Independent facilities facilities not immediately attached to a building, e.g. roads, sewerage pipes, storage sites, jetties etc.

Section 6 + 7: When applying for transfer of area allotment or any other changes concerning the holders of the area allotment, documentation must always be included as enclosure 4 to prove that the application is approved of by the holders of the rights.
