

## Educational Hydrocarbon Sponsorships

Local capacity building in relation to the exploration for or exploitation of hydrocarbons is supported by hydrocarbon licensees in Greenland.

### Application Terms

You can apply for a sponsorship sum for all types of education programs abroad which are related to the exploration for or exploitation of hydrocarbons in Greenland.

You can apply for a sponsorship sum to cover e.g.:

1. Tuition fees and other study fees for international students
2. Travel expenses
3. Documented expenses for specific literature or teaching materials needed for the program
4. Documented expenses for field trips and other relevant study expenses

If your application concerns an education program which is eligible for a sponsorship from USF (Uddannelsesstøtteforvaltningen / Ilinniagaqarnersiuteqartitsivik), your application must also include a copy of the USF approval letter. If you do not have an approval letter from USF, you will not be eligible to receive a sponsorship to an educational program.

Please note that if the Hydrocarbon Sponsorship is awarded, you do not receive reimbursement for the same expenses as those covered by the USF sponsorship sum.

The sponsorship sum may cover programs up to 3 years (ending in 2018). The sponsorship does not cover beyond this period.

### *How to apply?*
