Hearing respond to Pituffik Titanium Project

In accordance with the guidelines for pre-hearings of Social Impact Assessments and Environmental Impact Assessments Departementet for Finanser og Skatter (Ministry of Finance and Taxes) has on the 12th of April 2017 received the pre-hearing material of the Pituffik Titanium Project, which is a condition at project start.

ANN has the following remarks:

In the draft Terms of Reference for the Social Impact Assessment, section 4.2 in Table 7-1 it is said:

(Municipality of Qaasuitsup has a tax-rate of 45% (2016))

The tax-rate for national taxpayers in the municipality of Qaasuitsup is 44%.

Kind regards

Samo Jacob Nielsen
